Report of Selectmen & Town Manager

On January 1, 1966 the town had a net unexpended balance of 1965 appropriations of \$3,291.05. Funds have been reserved for all incompletd projects previously voted.

Even though the Budget Committee did not recommend an appropriation for a re-valuation of the town, we strongly believe it is needed. The appraisal of new taxable property including additions to existing property takes at least 20 full working days or 4 weeks. The review of complaints on assessments takes another 10 full working days or 2 weeks. It is not reasonable or fair to say that part time officials, in addition to their other duties, can make a complete revaluation of Hampton. If not more than 20 minutes were spent by the selectmen on each piece of taxable property to arrive at a fair assessment it would take one year working full time to complete the assessing.

The last revaluation was voted 12 years ago. Since then our gross assessed valuation has gone from 14 million to over 23 million. The fair market value of this property is in excess of 67 million. It is not realistic to assume that part time selectmen can assess fairly 67 million dollars worth of property.

If you will refer to the Statement of Appropriations and Taxes Assessed you will note that over one and one-half million dollars in property taxes must be raised each year. It is our opinion the only practical way to assure that everyone pays his fair share is by having a re-valuation.

Very truly yours,

**BOARD OF SELECTMEN &
TOWN MANAGER**

Town Clerk's Report

Hampton, New Hampshire

March 9, 1965

The Annual Town Meeting was held at the Hampton Academy Junior High School on March 9, 1965.

Inspectors and Ballot Clerks sworn in by the Moderator were:

Clifton Woodes	Yvonne Crapo
Ethel Hamilton	Ruth Simons
Barbara Barker	Bernice Hendrix
Dorothy Murphy	Natalie Hockenhull
Annamae Macardle	Marilyn Dubois

Asst. Moderator: Samuel A. Towle

Moderator Edmund Langley, Jr. opened the meeting by reading the Warrant, and Return. The Warrant only to Article 3.

Selectman Robert H. Danelson, Jr. made the motion that the Polls remain open for voting until 8 p.m. Seconded. *So Voted.*

The Polls were then declared open and Ballot Boxes shown.

The Invocation was given by Howard S. Danner, Jr., Pastor of the First Congregational Church:

Almighty God—

Creator and Maker of all that is and ever shall be:

Giver of every good and perfect gift:

Sustainer of Life:

Grant to us here met for the conduct of this Town's proper business such wisdom and Action as will be acceptable in Thy sight.

Look upon our several individual and corporate needs and fill them as Thou deemest best for us all.

Direct us in all our deliberations and decisions so that the coming year may be one of true prosperity and peace.

Enable us to cooperate with one another in the living of our lives in this Town so that we will be a blessing to each other and acceptable servants of Thine.

We ask this not because there is any worthiness in us, but because Thou art true and holy.

Amen.

Mrs. Harriet Claridge led the singing of the National Anthem. The moderator announced that a microphone would be available to anyone wishing to speak. Visitors were asked to sit in designated seats.

Report of the Municipal Budget Committee

Article 1 and 2 on the Ballot.

Article 3.

BUDGET

The Report of the Budget Committee was given by the Chairman, David Drummond, as follows:

The gross budget recommended in Article 3 by the Municipal Budget Committee for 1965 is \$902,753 which is \$99,779 more than the approved budget for 1964, but a reduction of \$105,712 from the figures submitted by the Board of Selectmen. Anticipated income during 1965 from revenue items is \$264,200.

The Budget Committee held nine (9) Executive Sessions and two (2) Public Hearings in preparing its recommendations for this Town Budget. The completed budget has been published in the local newspaper, as required by law, and posted in various public buildings in our town. It also appears in the Annual Report of the Town of Hampton.

Special Article #7 asking for an appropriation of \$25,000 for the purpose of installing water lines a distance of 3,700 feet on Ocean Drive, Woodstock Street, Plymouth Street, Campton Street, Thornton Street, and Portsmouth Avenue, and to authorize the sale of said water system to the Town of Seabrook, is RECOMMENDED by the Budget Committee. This was a Special Article submitted by the Selectmen. There is a definite health hazard in this area and it is felt that if the Town does not do something about this situation, the State might soon step in and order the work performed.

Special Article #9 to appropriate the sum of \$1,000 for the installation of two fire alarm boxes to be located at the corner of Thomsen and Mace Roads, and the corner of Naves and Yeaton Roads is NOT RECOMMENDED. There is money in the budget for new fire alarm boxes and the system should be expanded only under the plan of the Fire Chief.

Special Article #10 for an appropriation of \$9,500 for the installation of a sanitary sewer system on Tobey Street and Gray Avenue is NOT RECOMMENDED. There is a bill in the legislature covering sewage and if this bill is passed, the Town would get \$20,000 a year for the next 20 years and it is felt that it should be ear-marked in the next year's warrant for sewers.

Special Article #11 is NOT RECOMMENDED by the Budget Committee. With but one exception, all the streets mentioned in this article are unaccepted streets.

Special Article #12 requesting the Town to reimburse Bernard A. Barteau \$1200 for one-half the cost of extending the sewer line approximately 640 feet is NOT RECOMMENDED. It is up to the Developers to install the sewer in the Developments and run out to the main sewer line.

Special Article #13 is NOT RECOMMENDED. The same reasoning applies to this article as applied to Article #12.

Special Article 15-A requesting an appropriation of \$8500 to extend Brown Avenue, so called, to the Town Parking Lot on Ashworth Avenue and to the Police Station, etc. is submitted *without* RECOMMENDATION.

Special Article #17 requesting the sum of \$5,000 for Engineering Services required to prepare plans, specifications for Bid invitations and other preliminary services needed for the construction of a Traffic Circle on the Exeter Expressway etc., is submitted WITHOUT RECOMMENDATION.

Special Article #18 asking for an appropriation of \$12,000 for the purpose of building a storm drainage system on Ashworth Avenue from I Street to a point near Q Street is NOT RECOMMENDED at this time.

Special Article #22 requesting a sum of \$6,000 for the purpose of preparing, surfacing and fencing a third tennis court is NOT RECOMMENDED.

The Budget Committee reviewed ten (10) Special Articles that contained requests for appropriations of monies, totaling \$70,000. We have recommended one in the amount of \$25,000 and have submitted two Special Articles to this meeting WITHOUT RECOMMENDATION. The remaining seven (7) Special Articles are NOT RECOMMENDED.

PURPOSE OF EXPENDITURES:

I. GENERAL GOVERNMENT:

The Town Officers' Salaries show an increase of \$400 over 1964. This allows a \$400 increase in the Town Manager's salary only. The total increases requested in salaries was \$904.

The Town Officers Expenses are budgeted at \$323 more than was expended in 1964, but about \$2,000 more than was in last years budget. The hiring of IBM work accounts for about \$1500 of this amount.

Election & Registration Expenses is reduced \$1843 because we will have but a single election this year.

Municipal Court Expenses — Although there is \$931 more in this year's budget, it does not represent an increase in the real sense. On July 1, 1964, our Municipal Court became a District Court and the provisions of RSA 502-A: 6 paragraph IV, the minimum salaries of the Justice, Special Justice and Clerk are set. These were paid for only the last six months of 1964. They will have to be paid for the full year of 1965.

Expenses of Town Hall and other buildings is up slightly over the expenditures of 1964 to cover outside painting and repairing the leaks at the Town Office. The Selectmen have also requested that the floors in the Selectmen's Office should be tiled.

Employees' Retirement and Social Security reflects the amount of monies needed to cover increased wages plus dollars budgeted for retirement.

II. PROTECTIONS OF PERSONS & PROP.

The Police Department is budgeted at \$113,600 for 1965. Twelve (\$12,000) thousand dollars of this amount is in the expenditures as States Parks account shown later in this report. This \$113,600 compares with a budget of \$93,451 in 1964 (State Park Account added in) and the \$117,530 requested by the Selectmen. The difference between the 1964 budget and the 1965 budget is \$20,149. The major portion of this increase is the addition of two full time officers plus reducing the number of hours worked to 40 hours except during the summer months (3) when they would work 48 hours. There is also a 3%

increase in salaries for Supervisory Personnel to meet the 5% given all employees except supervisory men in 1964. At that time they received 2%. In summary, we *spent* \$107,192 in 1964; we are budgeting \$113,600 for 1965 which is \$4,000 less than the requests of the Selectmen. If we can lick the riots at Hampton Beach in 1965, I would expect that Account could be under run by many thousands of dollars.

The Fire Department budget is \$10,559 higher than in 1964 and about \$5,600 less than was requested by the Selectmen. This budget will allow the firemen to work a 72 hour week instead of 84 hours per week. It also allows for two additional regular men on the Fire Department and a 3% raise for supervision, (The Chief, Deputy Chief, and 2 Lieutenants) The addition of \$3,500 for Inspectors was NOT RECOMMENDED by the Budget Committee.

Moth Extermination, Blister Rust and Care of Trees is budgeted at \$3,000 which is approximately the amount of money spent in 1964. About half of this amount will be for spring dusting. The Selectmen requested \$4,000 for 1965.

Insurance is budgeted at \$11,550. As requested by the Selectmen. The slight increase over actual costs of last year is for Workmen's Compensation and Accident Coverage.

Planning and Zoning is budgeted at \$600. The breakdown is as follows:

Zoning Board	\$350.00
Municipal Budget Committee	250.00
	<hr/>
	\$600.00

There is also \$4,600 for the Planning Board and Housing Authority that has been submitted WITHOUT RECOMMENDATION. This \$4,600 would be used for the up-dating of the Master Plan and for a General Neighborhood Renewal Plan.

Hydrants — This account is up to \$640 over last year's budget to allow for the installation of four more hydrants.

Damages & Legal Expenses is very difficult to budget. This is an account that can vary quite a bit each year. Last year we budgeted \$5,000 and spent \$1,876. This year we are budgeting \$1,000 less. At the present time the Town has 10 suits against it for damages.

Civil Defense — The Budget Committee cut the Selectmen's request from \$5,200 to \$2,500. The large request was to purchase 10 two way mobile radios which cost as high as \$800 apiece, but would be a 50-50 matching funds proposition. Communication may be one of our problems, but we do not believe we have to purchase everything in one year.

III. HEALTH

Expenditures on State Parks. This is a new account that was introduced last year to show how much money we are spending on State Property. With the exception of \$3,000 for a Summer Emergency Fund, this \$34,370 *is not added* to the budget but is actually monies taken from the following accounts:

1. Police \$12,000. Protection of Persons & Property
2. Lifeguards \$10,370. Special Activities
3. Beach Cleaning \$12,000. Special Activities

The amount requested by the Selectmen was \$39,370 and this was reduced \$5,000 by the Budget Committee. There is \$3,000 in this total \$34,370 for an Emergency Summer Fund to be used for emergencies that may occur or spent to help eliminate troubles through studies. The Life Guards' salaries were raised in this budget. For the past three year's they received \$1.35 an hour for seven hours a day — seven days a week. This will be increased to \$1.50 per hour. The Head Life Guard will go from \$1.55 per hour to \$1.70 per hour.

There was \$7,500 requested by the Selectmen for a Public Administration Survey. This was NOT RECOMMENDED by the Budget Committee.

Health Department, Including Rubbish is increased due to 3% salary increases to Highway and Sewer Department.

Sewer Maintenance is budgeted at \$4,906 less than requested by the Selectmen, but \$6,780 more than was expended in 1964. The major increases are wage increases plus an additional \$2,500 for electricity to run the new sewer plant; plus \$1,300 more for fuel, and \$1,000 increase for Chlorine, Lime and Ferachlorid.

Town Dumps is budgeted at \$300 less than last year.

IV. HIGHWAYS & BRIDGES

Water Line, Seabrook — The amount of \$25,000 is RECOMMENDED by the Budget Committee and was discussed earlier in this report under Special Article #7.

Town Maintenance — Summer and Winter is \$11,084 less than the amount requested by the Select-

men, but it is also \$9,666 more than actual expenditures in 1964. More money has been budgeted for patching material; wages have been increased 3% and the necessity of having to pay time and a half for contracted work has added greatly to this account. Increased miles of roadbed also increases this account.

Street Lighting is increased \$2,000 for additional lights.

V. LIBRARIES

The Library account was cut to \$8,000 for 1965. It was felt that with the income from fines and the Trust Fund and the \$8,000 from the Town that this would be sufficient for 1965.

VI. PUBLIC WELFARE & PATRIOTIC PURPOSES

Have the same amount budgeted as in 1964.

VII. PUBLIC WELFARE & PATRIOTIC PURPOSES (Cont)

Have the same amount budgeted as in 1964.

VIII. RECREATION

Recreation Commission — The Budget Committee approved the \$3,830 requested by the Selectmen. The Recreation Commission requested \$2,825, not including materials and supplies.

Parks and Playgrounds — This is up \$2,300 over last year's budget, but \$1,200 under the requests of the Selectmen. There is a \$500 increase to add equipment for both the up-town playground and the beach playground. Last year we budgeted \$1,000 for tree planting and care, but this budget of \$13,900 includes \$3,000 for tree planting and care. It is expected

that \$2,500 will be spent for removal of diseased trees and \$500 for planting of new trees.

IX. PUBLIC SERVICE ENTERPRISES

There is no change in the budgeted dollars for Christmas Lighting this year, but there is a reduction of \$500 for cemeteries. With the \$5,000 for cemeteries, the Association can continue their paving of one more street in the cemetery. The normal operating expenses of the Cemetery Association were \$5,049 less \$2,585 income from invested funds and other miscellaneous income, leaving a net amount needed to cover normal operation of \$2,464 for 1965, but with streets in the Cemetery in such poor condition we are allowing \$2,500 more to continue the repairing of the streets.

Parking Spaces — This increased \$600 over last year's budget to replace one building that was burned and two new ones. The money will be used for three foundations. We have the toll booths to put on these foundations and need only to move them. This \$11,300 is \$2,500 less than requested by the Selectmen.

The amounts budgeted for ***Advertising and Regional Associations*** and Tax Maps is the same as 1964 and \$2,668 under the requests of the Selectmen for 1965.

X. INTEREST

This amount on Temporary Loans and Bonded Debt is the same as 1964.

Special Activities is budgeted at \$950 more than 1964's budget, but \$6,550 less than requested by the Selectmen. \$5,000 of this account is to repair and

replace damaged signs on the beach, plus some of the new signs suggested by the State.

XI. HIGHWAYS & BRIDGES

The Budget Committee approved the full \$5,000 requested by the Selectmen for Drains and the \$1,000 requested for Engineering Surveys, but reduced Sidewalk Construction from \$5,000 to \$3,500, noting that although monies were available to the Town for *Sidewalk Construction* from \$5,000 to \$3,500 noting that although monies were available to the Town for Sidewalk Construction in 1963 and 1964, the Town only spent \$600 and \$1,436 for those years.

Sewer Re-construction is budgeted at \$25,000 for 1965, this is the exact amount requested by the Selectmen. This money will be used from Dow Avenue to Church Street.

New Lands and Buildings is increased \$1,000 over last year's budget. The rent of the Casino-Garage was increased \$500 and the other \$500 is for the purchase of Tower land adjacent to the treatment plant.

New Equipment — The Budget Committee reduced the request of the Selectmen \$29,600 from \$56,550 to \$26,950. The tractor with loader, the sweeper and two pickups are NOT RECOMMENDED for this year. It is estimated that the two police cruisers will have over 80,000 miles each by the time they are traded this year plus the Econoline Wagon which is three years old. We recommend trading these three vehicles at a total cost of \$3,600. We have held back many times on purchasing new equipment, but this can't continue forever. We recommend the replacement of the 1954 Osh Kosh with a new dump truck and plow for \$8,000. There is also \$850 in

this account for 5 new fire alarm boxes. The budget committee was informed that even to maintain the present schedule of pick-ups per week, we need to replace one of our garbage trucks. If there should be a breakdown, the pickup schedule would be in serious trouble. We recommend \$12,000 for a new garbage truck. The final piece of new equipment is the replacement plow and wing for the second Marmon truck at \$2,500.

XII. PAYMENT ON PRINCIPAL OF DEBT

Remains the same as 1964 because no loans will be retired in 1965.

We would like to express our appreciation for the very fine cooperation we received from the Board of Selectmen, the Town Manager and Department Heads, during the preparation of this Budget.

Respectfully submitted,

DAVID B. DRUMMOND,
Chairman
Municipal Budget Committee

Mr. Drummond moved that the recommended Budget figure of \$902,753 be accepted as read. Seconded by William Elliot.

Mr. Drummond then made an amendment that the figure of \$902,753 be reduced by \$25,000 making the Budget to be raised an appropriated \$897,753.00 (The \$25,000 recommended is for Article #7 and should be voted under the proper Article.)

Seconded by William Elliot

Following discussion on the subject of Drainage for the Hackett Lane area, it was voted on amend-

ment of Eugene Moaratty, seconded, to increase the amount for Engineering Surveys by \$1,000 to allow for a study of the situation in this location.

The Town Manager, Kenneth D. Boehner explained why surface water could not be continually pumped into the sewer system. When this is done it merely comes out of the Sanitary Sewer eight inches above the road on Park Avenue.

Leavitt Magrath, Superintendent of the Sewer Department said that the ground work on this survey had already been done by Durgin and Son, Civil Engineers. Easement would have to be obtained.

On the subject of Rubbish and Garbage Collection many people felt that it would improve the situation if there could be two collections a week during the summer months.

After determining the necessary figure from Mr. Boehner, Robert Bridle made the motion that the figure of \$35,100.00 for rubbish collection be increased by the amount of \$1,782.00 to allow for two collections during 11 weeks of the summer. Seconded: Kenneth Malcolm.

Tellers to count vote on this amendment:

	Yes	No
John P. Batchelder	57	33
Howard S. Danner, Jr.	31	54
	<hr/> 88	<hr/> 87

Amendment passed.

Mr. Boehner said that 900 stops per day is the limit for one packer. Every year there is something new that is disposable, new foam type cups, for ex-

ample, garbage bags, and forks and spoons. All this increases the volume of rubbish.

Mr. Wilfred Cunningham moved the previous question. All were in favor.

Article 3 was passed as amended.

(Clerk's Note) Breakdown:

Original Recommendation	\$902,753.00
Less (Art. 7)	25,000.00
	<hr/>
	\$877,753.00
Plus Eng. Survey	1,000.00
Plus — 2 collections of rubbish, Town, for 11 weeks of summer	1,782.00
	<hr/>
Budget as Voted	\$880,535.00
This does not include Special Articles.	

ARTICLE 4.

Borrowing Money in Anticipation of Taxes

Mr. Wilfred Cunningham moved that Article 4 be adopted as read. Seconded by Louisa Berry.

So Voted.

ARTICLE 5.

Sale of Land Acquired by Tax Deed

Mr. Kenneth Malcolm moved adoption of Article 5 as read. Seconded.

So Voted.

ARTICLE 6.

Housing Authority

Town Manager Boehner, who is also the Health Officer, reported that in 1964 only two thirds of the business places at the beach met *minimum* Health Standards.

Mr. John Foley, Donald A. Ring, Walter Vand-

erpool, Cushman Colby, John P. Batchelder and Kenneth D. Boehner met with the State Planning Department to discuss the possibility of creating a housing authority. They could see no other avenue open to take care of sub-standard dwellings and business. They felt that it is necessary to plan for 10 or 15 years in advance and if this is not done we may suffer the downfall of our only major industry.

Mr. John P. Batchelder said that it is necessary to create a Housing Authority in order to obtain 10% Federal Grant for Planning, and hoped for a favorable discussion of the matter.

Mr. Wallace Robinson said he had no objection to a Housing Authority, but what we refer to as a Housing Authority might become Urban Renewal with the use of Federal Funds. He said that many owners of property at the beach were non-resident and had no vote at Town meeting, and that he felt we should not put over this Federal Authority without warning them.

Mr. Robert Bridle said that this Housing Authority would cover the whole town and it might aid in having plumbing and electrical codes put in force — which he thought good. Only 2 places at the beach which were inspected were 100%. If the Health Officer does his duty it leaves him no choice but to take action.

Town Manager Boehner said that the problems at the Beach were mainly pertaining to Health Standards. Last year was the first time that sufficient funds were available for proper inspection.

Attorney Wilfred Sanders spoke for the Hampton Beach Precinct Commissioners. He said that the area of Housing Authority is very complex and sim-

ilar to Urban Renewal. It uses the language of Urban Renewal. The creation of a Housing Authority would allow 5 individuals the power to declare any section sub-standard. This might force sale of property. He felt that the intent of this article is aimed primarily at the Beach. Non-Residents would be vitally concerned. Rental and problems of unsanitary conditions can be solved by special legislation. Mr. Sanders moved Indefinite Postponment of Article 6. Seconded.

Mr. William Elliot, Secretary of the Chamber of Commerce reported that at a recent meeting 15 directors favored Article 6, and one was opposed.

Mr. Norman Royal said that creation of "authority" means a legal entity having "authority" instead of a group to "study" the question. He favored indefinitely postponing Article 6.

Mr. John Long spoke for the Taxpayers Association and felt that something should be done or the State Health Department might crack down on many places at the beach.

Mrs. Harriet Harris said that we should learn more about the matter before taking action. The word "authority" sounds formidable. Housing Committee would sound better. She suggested that the beach recover from the troubles of the summer of 1964. They do not want to be called a Slum Area.

Mr. Howard Page moved the previous question. This was seconded and nearly unanimously voted.

Article 6 was voted *Indefinitely postponed*.

Mrs. Helen Mullen moved that the meeting be adjourned until 1:30 p.m. for lunch. Seconded.

So Voted.

The Meeting Re-convened at 1:30 p.m.

Article 7 was read by the Moderator.

Mr. Lawrence Hackett said that Article 7 and Article 8 were closely related and made the motion that Article 8 be taken up before Article 7. This motion was seconded and *So Voted*.

ARTICLE 8.

Transfer of a Portion of Seabrook Beach

The area in question is located on the southerly side of the Hampton River Bridge and contains approximately 100 homes. The site of "Bound Rock"—the original bound between Hampton and Seabrook is in this section. The Courts decided that this land belonged to the Town of Hampton.

Mrs. Louisa Berry asked if there was any agreement with the Town of Seabrook at this time. She moved indefinite postponement of Article 8 at this time. Seconded by Chester Mullen.

Town Manager Boehner explained that the Selectmen of Hampton and Seabrook met together and that the Seabrook Board would not consider selling water to the Hampton section of Seabrook Beach unless negotiations were opened for the return of the land awarded to Hampton. Mr. Wilfred Cunningham asked how much revenue was derived from this area?

Selectman Noel Salomon replied that the estimated profit was \$12,000 to \$14,000 gross revenue less cost of services. He said that water supply was a serious problem and that the Selectmen would like to retain title to the land, put in water system and then sell system to Seabrook. If the town of Seabrook does not also agree — the \$25,000 requested

for this purpose could be carried over to reduce taxes next year.

Mr. Russell McGuirk said that the Selectmen have done the town a service in sponsoring Articles 7 and 8. The Hampton River shifted its course in past years and we should seriously consider making the river the natural boundary between Hampton and Seabrook.

Mr. L. Hackett expressed the opinion that before anything could be done the Hampton Water Co., which is privately owned, has the exclusive right to put water anywhere where it is needed.

Mrs. Ednapearl Parr spoke against providing water lines and then relinquishing them.

Mr. Salomon reminded the assembly that Article 8 only authorized the Board of Selectmen to negotiate with the Seabrook board.

Mr. Bertrand Roy expressed the opinion that the Water Co. could lose their franchise if they do not furnish water where economically feasible.

Mrs. Berry withdrew her motion to indefinitely postpone Article 8. Mr. William Elliot moved the passage of Article 8 as written. Seconded by Russell McGuirk.

So Voted.

ARTICLE 7.

\$25,000 for Water Lines Across Hampton River

Mr. L. Hackett said that the situation in regard to water must first be cleared through the Legislature, and the Hampton Water Co. to avoid encroaching on their franchise.

Selectmen Herbert A. Trofatter moved that Article 7 be laid on the table. Seconded by Mr. Sicard.

Vote nearly unanimous in favor of Mr. Trofatter's motion.

ARTICLES 9, 10, and 11

Were not recommended by the Budget Committee and were indefinitely postponed upon motion of David Drummond, Seconded.

ARTICLE 12

Reimbursing Bernard A. Barteau for One-Half Cost of Sewer Lines

Article 12 was not recommended by the Budget Committee, as Sewer Lines within any development are up to the developer. Upon motion of David Drummond this article was indefinitely postponed.

ARTICLE 13.

Reimbursing Bernard A. Barteau for One-Half Cost of Extending Sewer Lines

Article 13 was not recommended by the Budget Committee. Upon Motion of David Drummond it was voted to Indefinitely postpone this Article.

ARTICLE 14.

Conservation Commission

Mr. John P. Batchelder said that under the enabling act of 1963 it is possible to establish local Conservation Commissions. Open land is rapidly disappearing.

Mr. John Batchelder moved adoption of Article 14 at this Town Meeting. Seconded by Fred Chadbourn.

Mr. L. C. Hackett amended Mr. Batchelder's motion to read as follows: To see if the town will vote to establish a town Conservation Commission,

consisting of 7 members, as set forth in the New Hampshire Revised Statutes Annotated 36-A. Seconded by Irving Campbell. *Article 14 was voted as amended.*

ARTICLE 15.

Conveying Land to Saint James Building Ass'n.

Mr. William Elliot moved indefinite postponement of Article 15. Seconded. (This was due to change of plans) *So Voted.*

ARTICLE 15-A

\$8,500 for Extension of Brown Ave.

Mr. Spaulding Owen reported that the committee to work with the Precinct Commissioners to study the needs, design, location, estimates, etc., for road construction to relieve the traffic congestion at Hampton Beach made the following recommendations.

These recommendations are embodied in Articles 15-A, 17, and 20.

Complete and detailed reports were circulated at Town Meeting, and one is on file with the Town Clerk's record. Mr. Owen urged passage of the above three articles. He made the motion that Article 15-A be adopted as read. Seconded. Mr. Wilfred Cunningham asked if the article had been reviewed by the Selectmen and Town Manager.

Mr. Kenneth Boehner amended Mr. Owen's motion to add the following at the end (comma after the word "fencing") "but that no portion of said sum of \$8,500.00 shall be expended for the purposes set forth unless and until all property owners whose property may be affected by said extension shall have conveyed for the sum of \$1.00, by sufficient

deed to the Town, the necessary land required to complete said extension."

Seconded by Spaulding Owen. Article 15-A.

Voted as amended.

ARTICLE 16.

Town Flag

Mr. Robert Danelson moved adoption of Article 16 as read. Seconded by Constance Kelly.

Mr. Roland Paige sponsor of the Article, amended Article 16 to read: On petition of the Meeting House Green Memorial and Historical Association and Post #35 American Legion; to see if the Town will vote to adopt as the official Town Flag, the flag, now in the possession of Post #35 American Legion and that the history of both the flag and the town seal be kept on file in the Town office. Seconded by Mrs. Béatrice Perkins. Article 16 was passed as amended.

ARTICLE 17.

Traffic Circle at Exeter Expressway

Mr. Spaulding Owen moved passage of Article 17 as read. Seconded by Mr. John Long.

Close vote by hand:

ARTICLE 17. *Not Carried.*

ARTICLE 18.

Storm Drain — Ashworth Avenue

This Article was not recommended by the Budget Committee. Mrs. Louisa Berry moved indefinite postponement of Article 10. Seconded.

So Voted.

ARTICLE 19.

Leased Land Procedures

Mr. Ellsworth Bennett moved adoption of Article 19 as read. Seconded.

Mr. Lawrence McKillop offered the following amendment: (after the word "area" in Section 2, insert the following —" and on the assessed value of a building or buildings now existant on any individual."

Attorney Wilfred Sanders spoke for the Precinct and explained Article 19 point by point. He said it was the feeling of many people that the lots in question should be sold, and that the town get out of the Real Estate Business.

Attorney Alfred Casassa of the Planning Board spoke in opposition to Article 19. He cited the report of the Leased Land Committee in 1962 that recommended that the town retain title to the Leased Land. He also mentioned the fact that fifteen

year leases could be obtained beginning April 1, 1965, and said that he felt the best interests of the people would be served by leaving the situation as it is.

Judge Perkins expressed the opinion that Article 19 was poorly thought out. Under this article part of the leased lots would be sold, and some perhaps never sold. In regard to Section #4 — only the State Tax Commission can tell the Board of Selectmen how to assess property. He urged that Article 19 be defeated.

Selectman Noel W. Salomon said that Article 19 was the most important article to be acted upon today.

He read from the Town of Hampton lease, and explained that previous to the new rates for leases the town was only netting 1% of land value. Now it has 3%.

There are over 400 leased lots which are the heritage of the Town of Hampton. He asked that the assembly think "long and hard" before relinquishing this heritage.

Mrs. L. Berry moved the previous question (requires 2/3 vote) Seconded by Mr. Russell McGuirk.

Mr. Lawrence McKillop's amendment was seconded, but *not carried*. The assembly voted overwhelmingly *against the passage of Article 19*.

ARTICLE 20

Beach Precinct Road Committee

Mr. William Elliot moved adoption of Article 20 as read. Seconded by Mr. J. Long.

Article 20 voted as read.

ARTICLE 21.

Deed to Hampton Plaza Corporation

The purpose of this article as presented by Mr. Phillip Toppan is to clear the title to a small strip of land between that of property owners — to the sidewalk. No records can be found in the Registry of Deeds to establish ownership. It is thought that title reverted to original owners when the Exeter & Hampton Street Railway tracks were taken up. Only possible question of ownership could come from the town, but there is also no evidence that the town has title to this strip of land. After much discussion Mr. Hammond moved the previous question. Seconded by Daniel Maloney.

Tellers:	Yes	No
Kenneth Miller	58	17
Roland Paige	62	7
	<hr/>	
	120	24

Debate ceased.

Standing vote was taken on Article 21.

Tellers:	Yes	No
Kenneth Miller	35	47
Howard Danner	38	48
	<hr/>	
	73	95

Article 21 was defeated.

ARTICLE 22.

Changing Name of Seashore Park

Mrs. Virginia Blake spoke in favor of Article 22 citing many civic projects in which Miss Ruth Stimson had been a leader, and particularly her work for, and at Seashore Park. She said that many people

would like to honor Miss Stimson by naming the park for her. Mrs. Blake moved that Article 22 be adopted as read. Seconded by Noel Salomon.

Mr. William Elliot spoke saying that he was representing someone else. He said everyone was aware of Miss Stimson's work and civic interest, but that the basic industry at Seashore Park area had been fishing. The names of Mace, Blake, Palmer, Leavitt and many others had been associated with this section. He offered a substitute Motion:

"If Seashore Park is to be re-named at any time a name for *names sake* be selected by the Historical Society." Seconded by Fred Chadbourn.

Mrs. Ednapearl Parr said that the Garden Club had worked for this park and furnished the money, but that Miss Stimson did 99% of the work. She felt that the park should be named for Miss Stimson.

Mrs. Margaret Wingate suggested that a stone, or bench, or table, be marked with the family names of the people who had been fishermen in this area. This would serve as a memorial in the park.

Mr. Elliot's motion was not carried. Article 23 *was passed as read.*

ARTICLE 24.

Continuation of Town Manager Plan

This Article appears on the Ballot.

ARTICLE 25 and ARTICLE 26

Are both Zoning Articles and appear on the Ballot by State Law.

ARTICLE 27.

Other Business

The Report of the Hampton Municipal Development Authority: "There is nothing relative to any new developments to report at this time. Again, this past year, our activities have been devoted almost entirely to efforts toward securing the financing of the final plan for Project Area Number 1. We shall continue to work toward that end.

Respectfully submitted,

Signed—

DOUGLASS E. HUNTER

Vice Chairman

The Report of the Committee appointed by vote of Article 36 at the Town Meeting of 1964.

Mr. Alfred Casassa, Chairman of the Committee to study the advisability of uniting the Town and the Precinct, reported that following the Town Meeting of 1964 the Moderator appointed Alfred Casassa, George Downer, and A. Roland Bragg, the committee of three to work with the Board of Selectmen and the Precinct Commissioners.

The Committee recommends that the Precinct continue in its present status.

Mr. David Drummond thanked the assembly for backing the Budget Committee recommendations.

Mrs. Louisa Berry moved that the meeting adjourn. Seconded. *So Voted.*

Respectfully submitted,

HELEN W. HAYDEN

Town Clerk

Report of the Hampton Marsh Conservation Committee

1965 Recommendations of the Hampton Conservation Commission

In compliance with its enabling legislation, R.S.A. Chapter 36-A, the Hampton Conservation Commission recommends to the Board of Selectmen that:

1. "Protection of existing water supplies in Hampton can best be accomplished by preserving existing wetlands, installation of sanitary sewers in the watershed areas and a control of high capacity wells, which could affect those supplying the public" is the opinion of the Hampton Water Works Co.

"Although our watershed areas conform to the State Department of Health requirements, disposal through a sanitary sewer system is an additional safeguard", reports Mr. Robert F. Weiners, Manager.

The Conservation Commission *recommends* that any future water supply development or use in Hampton exceeding 50 to 100 gallons per minute be reviewed by the Hampton Conservation Commission and Planning Board, "for the protection of watershed resources of the town" as required by R.S.A. Chapter 36-A-2.

The purpose of such a review would be to protect public water supplies from infringement by individuals, property owners, or industries, which

might develop their own supplies, and thus endanger public water supplies by lowering Hampton's water table in the future.

2. Water pollution be controlled in Hampton by being kept to a minimum or halted (B-1 classification) in any and all fresh and salt water areas in Hampton.

(B-1 classification according to the New Hampshire Water Pollution Commission is suitable for bathing, recreation, fish habitat, and public water supply, after adequate treatment. It shall contain no more than 240 coliform Bacteria MPN/100 Ml. (Most probable number of Coliform Bacteria per 100 milliliters — about 4. oz.) This measure is an indication of fecal pollution.

3. Pollution due to the Town Dump near the Sewer Plant should be kept to B-1 classification as determined by the New Hampshire Water Pollution Commission.

The present refuse along the east side of the road to the dump should be cleaned up and prevented in the future under the direction of the Town Health Officer, to prevent water pollution.

4. Any marsh land wherever located and taken for tax delinquency after March, 1965 (the establishment date of the Hampton Conservation Commission) be listed annually with the Conservation Commission for their legal inventory of the town's wetlands, as required by R.S.A. — Chapter 36-A — Establishment of Conservation Commissions.

5. Any proposed land subdivision plan involving "open marshlands, swamps, and all other wet lands" be submitted to the Hampton Conservation Commis-

sion for their consideration and recommendation before any final decision is made on the request by the Zoning Board.

A copy of the Conservation Commission's map index of "all open marshlands, swamps, and all other wetlands" and its "index of all open areas within the town, including lands owned by the state or lands owned by the town", as required by R.S.A. 36-A shall be available to the Planning and Zoning Boards. The USDA Soil Survey Map for Rockingham County is the basis for determining wetland classification.

6. Any public access or rights-of-way to salt water, as along Rte. 1-A, or fresh water areas in Hampton should be identified by the Town Engineer preparing the Tax Map and Town Counsel, in cooperation with the Conservation Commission, and a sufficient appropriation be provided in the 1966 Selectmen's Budget to provide permanent marker identification of such rights-of-way in town.

7. The water area of Meadow Pond be left in the future as a natural area and set aside for conservation of rare plants, birds, and other forms of wildlife. Pollution should be decreased to B-1 classification by improvement of any commercial or residential sanitary system found to be polluting this or any other wetland in town. Future filling and/or dredging should be prohibited in this area.

8. The town-owned portion of the Marsh Conservation Area between Nudd's Canal and U.S. 95, as established at 1964 Town Meeting and Senate Bill 85 of the 1965 State Legislature, should be kept open to fishing, boating and hunting in season. Filling and/or dredging should be prohibited in this area.

9. The Low Marsh between Nudd's Canal east-

erly to Tide Mill Creek should be kept open for boating, fishing, crabbing, claming, worm digging, and waterfowl hunting, with commercial and recreation interests of the public managed and protected now and in the future. Filling and/or dredging should be prohibited in this area.

10. The Spring Marsh between Winnacunnet Road, Great Boar's Head, and the Exeter-Hampton Expressway should be kept open for hunting and fishing. Further filling and any dredging should be prohibited in this vast open area.

11. The Little River Marsh Area in the Northeasterly part of town, bounded on the south by Huckleberry Lane, west by the nearest upland, north by Fifield Island, and east by Route 1-A, should be left as a natural area, with no filling of wetland or marsh as it is a populated wildlife habitat.

12. The Car Barn Pond Wetland Area on Exeter Road be set aside as a natural area and pollution be eliminated if present. Filling and/or dredging should be prohibited in the future.

13. Batchelder Park (15 acres more or less on Towle Road) established and developed by the Kiwanis Club for the recreational use of the citizens of Hampton, should be dedicated as a perpetual park with ownership continued by the Kiwanis.

Report
of an examination and audit
of the accounts
of the
Town of Hampton
for the fiscal year ended December 31, 1965
made by
THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
December 13 - 17, 1965
&
December 29, 1965 - January 5, 1966

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 12, 1966

Board of Selectmen
Hampton, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Library, Cemetery Association, Trustees of Trust Funds, Hampton Municipal Development Authority and Sewer Bond Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1964 - December 31, 1965: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$119,747.36 in 1965.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Bonds Paid	\$109,000.00
Net Budget Surplus	31,584.80
Increase of Cash in Hands of Officials	12.57

Tax Collector's Excess Credits	879.59
Yield Tax Adjustment	.40
	<hr/>
	\$141,477.36

Increase in Surplus

Increase in Accounts Payable	\$ 50.00
Surplus Used to Reduce Tax Rate	21,300.00
Decrease in Accounts Receivable	380.00
	<hr/>
	21,730.00
<i>Net Decrease</i>	<i>\$119,747.36</i>

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$28,293.75, plus a net unexpended balance of appropriations of \$3,291.05, resulted in a net budget surplus of \$31,584.80.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

District Court: (Exhibit F)

A statement of the District Court accounts for the fiscal year is included in Exhibit F.

Hampton Municipal Development Authority: (Exhibit I)

A statement of the activity in the Hampton Municipal Development Authority during the year is included in Exhibit I.

Sewer Bond Fund Account: (Exhibit J)

A statement of the Sewer Bond Fund account for the fiscal year ended December 31, 1965, is presented in Exhibit J.

Statement of Bonded Indebtedness: (Exhibit K)

A statement of bonded indebtedness as of December 31, 1965, showing annual debt service requirements, is contained in Exhibit K.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$10,747.36, from \$131,693.60 to \$142,440.96 during 1965, as shown herewith.

	DEC. 31, 1964	DEC. 31, 1965
Total Assets	\$630,891.94	\$699,353.78
Current Liabilities	499,198.34	556,912.82
	<hr/>	<hr/>
Current Surplus	\$131,693.60	\$142,440.96

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director

TOWN WARRANT

Town Warrant For 1966

TOWN OF HAMPTON

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Junior High School Auditorium in said Hampton, on Tuesday, the eighth day of March, 1966, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose by Non-Partisan Ballot one Selectman for Three Years; one Town Clerk, one Town Treasurer, one Collector of Taxes, for one year; four members of the Budget Committee for three years.

Article 2. To choose all other necessary officers for the ensuing year. (The polls for the election of officers and to vote on any other articles which may appear on the ballot, will be open at ten o'clock in the forenoon and will remain open until eight o'clock in the evening of the same day.)

Article 3. To see if the town will vote to accept the Budget as submitted by the Budget Committee and to raise and appropriate the sum of \$910,030.00.

Article 4. To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow money in anticipation of taxes.

Article 5. To see if the town will vote to give the Selectmen power to administer, sell, or otherwise dispose of any real estate acquired through tax deeds, any sale to be at Public Auction.

Article 6. To see if the town will vote to authorize the expenditure of \$33,631.48 which is part

of the Federal Grant in Aid received, for the completion of sewer construction contract number 21 and the extension of sewers in Leavitt Avenue and part of Hutchinson Drive.

Article 7. To see if the town will vote to raise and appropriate the sum of \$50,000.00 for the purpose of a revaluation of property in the Town of Hampton by the State Tax Commission, or to authorize the Board of Selectmen to hire a competent appraisal firm approved by the State Tax Commission.

Article 8. To see if the town will vote to raise and appropriate the sum of \$50,000.00 for the purpose of installing waterlines, including hydrants, on Ocean Drive, Woodstock Street, Plymouth Street, Campton Street, Thornton Street and Portsmouth Avenue.

Article 9. Subject to the approval of the Legislature and ratification by the town at a later date, do you favor changing of the Town Line between Hampton and Seabrook, without monetary consideration, to the center of Hampton River?

Article 10. On petition of Douglas M. Cowie and 24 legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of \$7,000.00 for the installation of a sanitary sewer system on Mill Road from Ann's Lane to a point near 111 Mill Road.

Article 11. On petition of Elizabeth Syphers and twenty legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of \$13,000.00 for the installation of a sanitary sewer system on Trafford, Carlson, Hurd, and Sanborn Roads.

Article 12. On petition of Evelyn Osborne

and 35 legal voters of the Town of Hampton: to see if the town will vote to appropriate a sufficient sum of money not to exceed \$80,000.00 to properly install and maintain a sewer and storm drainage system on Hackett Lane, also known as Hackett Terrace, Moore Avenue, Kershaw Avenue, Dearborn Avenue and Ann's Lane to alleviate the continual threat of physical and personal property damage to the inhabitants of this area.

Article 13. On petition of Richard A. Stebins and 66 legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of \$50,000.00 for the installation of a sanitary sewer system on the following streets:

- (A) Hobbs Road from present sewer system to Mace Road.
- (B) Thomsen Road from present sewer to Mace Road.
- (C) Mace Road from Hobbs Road to Five Corners.
- (D) Tobey and Gray Streets to High Street.

Article 14. On petition of Donald A. Ring and ten legal voters of the Town of Hampton: to see if the Town will adopt the following resolution:

Whereas, there is determined to be a need in Hampton for decent, safe, sanitary and convenient housing at reasonable rental fees for our senior citizens and,

Whereas, in order to accomplish this objective there is determined to be a need for a housing authority in the town, now

Therefore, in accordance with Section 4 of Chapter 203 of New Hampshire Revised Statutes Annotated, and in accord with the foregoing finding of need, there is hereby created a municipal housing

authority for the Town of Hampton, with all the powers and authority granted by said Chapter 203.

This resolution to take effect upon its passage.

Article 15. On petition of John Pierce Batchelder and 10 legal voters of the Town of Hampton: to see if the Town will vote to empower the Planning Board to review site plans for the development of tracts for non-residential uses as provided in R.S. A. 36-19a.

Article 16. On petition of Philip M. Toppan and 11 legal voters of the Town of Hampton: To permit the Selectmen of the Town of Hampton to execute a deed to the Hampton Plaza Corporation conveying any and all of the Town's right, title and interest in and to any land lying situated between Lafayette Road and Winnacunnet Road and/or Highways, so-called, and said Hampton Plaza Corporation Lot which is located on the corner of said Lafayette Road and Winnacunnet Road; and further to permit the Selectmen of the Town of Hampton to execute a deed to Philip M. Toppan conveying any and all of the Town's right, title and interest in and to any land lying and situated between the land of Philip M. Toppan, said Toppan land abutting the Southeast end of land of the Hampton Plaza Corporation, so as to clear any title question that may arise and allow for the orderly development of said properties in keeping with the best interests of the Town's growth and increased property tax assessments and valuation.

*Article 17. To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Amend Article III, Section 5:—Industrial Districts, by striking out all of the same and substituting in place therefor the following:

Section 5. Industrial Districts. In Industrial Districts no building or land shall be used for any purpose except one or more of the following:

1. Any use permitted in a Business District.
2. Light manufacturing, machine shops.
3. Heavy Manufacturing, provided the Board of Adjustment shall rule that such use is not obnoxious or injurious by reason of the production or emission of odor, dust, smoke, refuse matter, fumes, noise, vibrations or similar conditions, and is not dangerous to the comfort, peace, enjoyment, health or safety of the community or lending to its disturbance or annoyance.

*Article 18. To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent town meetings, as follows:

Amend Article IV by adding the following new section: Section 5a. No structure shall be built in the Business District, Seasonal Business District, or the Industrial District unless such lot has a minimum street frontage or public parking lot frontage of 20 feet.

*Article 19. To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Amend Article VI, Section 1 paragraph two by

striking out the first sentence and adding the following: The Building Inspector before issuing the permit shall require a detailed plan of the proposed work.

*Article 20. To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Article IVB, Parking.

Section 1. No Building shall be erected unless off-street parking facilities are provided in accordance to the minimum requirements set forth. In the case of other than residential structures of single and two family residences, there shall be submitted to the Building Inspector a detailed plan for off-street parking facilities showing the manner in which such facilities are to be provided. No building permit is to be issued until the off-street parking plan is approved by the Building Inspector.

No off-street parking facilities shall be required with respect to any new building if located within 300 feet of a municipal or governmental parking lot.

Section 2. Schedule of minimum off-street parking requirements:

1. Single, double, and three family dwellings—2 spaces per living unit.
2. Apartments—1½ space per living unit.
3. Hotels and Motels—1 space per living unit.
4. Professional, General Office or Service —1 space per 300 square feet of gross floor area.

5. Retail Business — 1 space per 300 square feet of gross floor area.
6. Clubs or similar use — one space for each 4 persons of rated capacity.
7. Industrial Use — 1 space for every third employee per shift.
8. Places of worship are specifically exempted from this section.

Where a use is not specifically included in the above schedule it is intended that the regulations for the most nearly comparable specified use shall apply, to the end that adequate space shall be provided to accommodate the cars of all persons likely to be gathered at the premises at any one time.

Section 3. Occupancy of new structures is prohibited until construction of the off-street parking facilities where required are completed.

Section 4. Upon appeal the Zoning Board of Adjustment may modify the off-street parking requirements if such modification appears to be in the best interests of the town.

Article 21. To transact any other business that may legally come before this meeting.

*Articles 17-18-19-20 will be found on the ballot.

Total Circulation	27064
-------------------	-------

75 books have been borrowed from the Book-mobile.

National Library Week in April and Children's Book Week were observed with displays of new books. New books are purchased every month.

In October an all-day District Meeting was held at Lamie's Tavern in charge of Mrs. Rachel Sanborn, Library Consultant of the State Library Extension Service in Exeter. There was a large attendance and the group was welcomed by Mr.

Stillman M. Hobbs, Treasurer of the Hampton Library Trustees. The principal speaker at the morning session was Mrs. Eleanor Smith, Coordinator of Adult Services at the Brooklyn, N. Y. Public Library. Other interesting speakers were from the University of New Hampshire and the State Library. After luncheon discussions were held with the meeting closing at three o'clock.

The Art displays on the peg board and in the cases have been in charge of Mrs. George Hadley, Assistant Librarian. She is to be commended for the varied displays and we are grateful to those who have given of their time and talents to make these exhibits possible. Descriptions of these have appeared in the Hampton Union, calling attention of the people at home and in other towns to them.

As in former years the Garden Club has supplied the Christmas wreath for the Library and also other decorations. The Library staff provided the prettily decorated tree and the candles.

**Annual Report
of the
HAMPTON BEACH
VILLAGE DISTRICT**

CERTIFICATE OF AUDIT

This is to certify I have examined and audited the accounts and records of The Hampton Beach Village District for the year ended December 31, 1965.

In my opinion the schedules of receipts and expenditures included herewith reflect the true condition of the Village District as of December 31, 1965. Together with the results of operations for the year ended on that date.

Respectfully submitted,
FRANK A. BRIGGS
Public Accountant

PERLEY R. GEORGE
MICHAEL LINN
